18th-Century Mas of Character in Peymeinade – 160 m² with Pool and Landscaped Garden

Peymeinade - 889 000 €

Ref. 85958254

A True Hidden Gem:

This exceptional 18th-century mas is not something you merely describe – it's something you experience. Behind its historic stone walls lie three bedrooms in the main house, along with a charming attic space that's perfect as a reading room, home cinema, or a summer holiday dormitory for children.

Adding to the allure, an authentic 1920s gypsy caravan has been fully renovated to offer an additional bedroom, positioned just opposite a separate bathroom. All of this is nestled within a magical garden adorned with centuries-old olive trees.

The property has been renovated with great care, preserving traditional character while integrating modern comforts — including a sleek, fully equipped contemporary kitchen. A beautiful swimming pool, a pétanque court for relaxed evenings, a workshop complete with wine and a garage for two cars cellar round out this idyllic Provençal lifestyle.

Here, time seems to stand still. Words can hardly capture the sense of peace and well-being that flows through this unique place — it truly must be experienced in person.

Ideally located just two minutes from the village of Peymeinade and all its amenities.
